ANSWERS

Mechanics	Multiple-choice questions	147
	Contextual questions	147
	Momentum	155
	Projectile motion	168
Matter and materials	Multiple-choice questions	175
	Contextual questions	175
Waves, sound and light	Multiple-choice questions	193
	Contextual questions	193
Chemical change	Multiple-choice questions	199
	Contextual questions	199
	Chemical equilibrium	218
	Acids and bases	225
Electricity and magnetism	Multiple-choice questions	237
	Contextual questions	237
	Electric circuits	245
Matter and materials (Physics focus)	Multiple-choice questions	251
	Contextual questions	251
Chemical systems	Multiple-choice questions	259
